**Sawyer County-LCO Prevention and Coordinated Service Collaborative**

**March 26, 2013 @ Noon at the Peter Larson Room of the LCO Administration Building**

-  
**NEXT Community Collaborative Meeting:** *Tuesday, May 7<sup>th</sup> 2013 @ 2:30 – 4:00 at Northwest Connection Family Resources, 15896 W. Third Street, Hayward. 634-2299. Corner of Third St. and Wisconsin.*

**DISCUSSION Highlights:**

- 
- *Action steps to continue use in Sawyer/LCO School Districts the, Youth Behavioral Risk Survey*
  - *Agency/Service group partners are ENCOURAGED to invite OWN township/local policy makers to meetings and events*
  - *Issue of human trafficking / Wesleyan Church is examining this issue more closely/providing information*
  - *UW-Extension/4-H & Youth provide summer camp experience for third – 6<sup>th</sup> graders the second week in July. Also provide summer educational programming and seek to engage older youth as teachers/mentors for k-2 youth.*

- *Trinke shared CS Team information from the 2012 Systems Change report:*
  - *16 CS Teams representing 9 child welfare and 7 Juvenile justice.*
  - *Average CS Team 16 months*
  - *CS Team participants affected positively = 67 informal supports*
  - *Cost effective due to use of less restrictive and also shorter periods of out-of-home care/reunification*
  - *Lessons learned 1) More focus on direct “teaching” of parents/caregiver how to manage teenage behaviors/role model, etc. 2) More focus on post-placement needs and ensuring enough informal supports in place for success/continuation of positive changes/actions.*
  
- *Trinke reminded group of the ongoing PARENT SUPPORT group meeting every Thursday from 5-7 p.m. at the Northwest OASIS located at 16906 West Highway 63. No registration required, however, helps for planning a light supper if you notify Teri Nugent/Northland Counseling at 634-2522.*
  
- *Sawyer County Assistance Guide has not been updated in a year. Trinke circulated an “edit” copy for marking changes/additions or corrections and will also send out to community partners via the web. Plan is to do a county-wide distribution yet this spring, 2013. At this time, no agency/person is leading this effort, so Trinke will continue to be the contact person for the present.*
