

Land Information Council Meeting
July 17, 2018 8:30 am

Paula Chisser, Register of Deeds
Rose Lillyroot, Public safety
Dale Olson, Zoning & Conservation
Dianne Ince, Treasurer
Brian DeVries, GIS
Lavonne Nedlose, Real Property Lister
Dan Pleoger, LIO/County Surveyor
Kimberly Wendt, GIS/RPL
Jesse Suzan, Land Surveyor
Thomas Duffy, County Board member
Ben Niemann, Citizen

8:30 Pleoger called meeting to order.

Complied with open meeting law.

Motion by Olson, 2nd by Niemann to approve agenda.

No public present, no public comments.

Motion by Olson, 2nd by Suzan to approve minutes of January 16, 2018 meeting.

Discussed new Land Information 3 year plan.

Still need funding for:

1. Contractor to finish LiDAR
2. Constant upgrades for parcel mapping
3. Will need orthoimagery, last time was fall of 2015
4. Need to work on road right of ways-this comes up multiple times a day
5. Zoning layers don't match up to parcel mapping

Benchmarks 1 and 2 and 3 are done, but we are behind on benchmark 4 which is PLSS.

Suggestions to designate land records funds in the 3 year plan:

6,300 to Register of Deeds to scan bound tract index books

10,000 for new printer/plotter/scanner for GIS

10,000 for overtime pay for survey crew

9,600 manual maintenance for ESRI software

ESRI GIS Software Additional Costs: 15,000 maintenance for all County ESRI Software per year, or 25,000 for unlimited access to ESRI Software Products for entire County.

Zoning scanning and indexing zoning documents, sanitation permits #1 priority

Meeting adjourned at 9:55 am

Minutes by Paula Chisser, Secretary
