8:30 Pleoger called the meeting to order.

Complied with open meeting law.

No public comments.

Motion by Olson, 2nd by Nedlose to approve minutes of July 17, 2018 meeting.

Discussed the plan and priorities. Air photos are now 5 years old and will need updating. We will need to sign a contract in 2019 for photos to be taken in 2020. The cost will be approximately \$100,000-\$110,000.

Zoning request for \$10,000.00 to scan soil tests, sanitary permits, land use, public hearing and all other zoning documents.

Novus has a new zoning document tab, once zoning documents have been scanned, they will be available for the public to view.

Motion by Nedlose, 2nd by Olson to approve the 2019-2021 Sawyer County Land Information Plan.

Discussion about the need for a new large format printer/scanner. New scanner will replace 3-15 year old machines in the Land Records office. Quote is \$8,375.00 plus maintenance at \$645.00 per year, installation and training. See attached quote from EO Johnson.

Motion by Duffy, 2nd by Lillyroot to approve purchase of Canon IPF TX-3000 MPF from EO Johnson.

Olson discussed flood plain maps and how LiDAR is helping some properties get removed from flood plains.

Meeting adjourned at 9:00
