**PUBLICATION NOTICE OF SAWYER COUNTY CODE OF ORDINANCES
HEALTH AND HUMAN SERVICES
STATE OF WISCONSIN
SAWYER COUNTY**

Notice of Publication of Sawyer County Code of Ordinances for the purpose to protect the public's health, safety, and welfare, due to a person's actions constituting a violation of the conditions of this ordinance and to license, inspect, and promote maintenance of public facilities for the interest of the county's citizens and tourism community.

In October (2017) the Sawyer County Board of Supervisors adopted the resolution for the Department of Health and Human Services to enter into a contract with the Wisconsin Department of Agriculture, Trade, and Consumer Protection (DATCP) designating the local health officials as Agents of the State for the purpose of regulating, licensing, and inspecting of retail food establishments (including restaurants), campgrounds, recreational and educational camps, public swimming pools and water attractions, hotels, motels, and tourist rooming houses, bed and breakfast facilities, and vending machines.

In order to fulfill the agreement with DATCP, Sawyer County needed to develop Environmental Health Ordinances. Those ordinances have two focuses, Public Human Health Hazards and Agent Status for Department of Agriculture, Trade, and Consumer Protection.

Sawyer County Health and Human Services (HHS) Board seeks to adopt the Code of Ordinances at the December 12th, 2017 HHS Board meeting at 6:30 p.m. in the Sawyer County Courthouse in the Assembly Room with final adoption to be made by the Sawyer County Board of Supervisors at the December 21st, 2017 meeting which will be held at 6:30 p.m. at the Sawyer County Courthouse in the large court room.
