Winter/LCO Schools presentations there also, Eileen will contact Dr. Penny Boileau at Winter School and Janet Balzer at LCO School. Richard D. is asking about contacts at LCO College for this. Permanent box at LCO Police Department and Sawyer County Sheriff's Office during office hours. Barron County incinerator is in the process of getting certified and disposal will have a fee but be less expensive than current cost of disposal. Richard D. is asking if the pharmaceutical companies are chipping in on funds for getting rid of pills. Goal to get people to use the permanent boxes more often.

~UW-Extension: Handout distributed. Flyer available: myparentetical.com (<http://myparentetical.com>); Question from Lisa Wydra via Lori B.: about where foodshare cards can be used to get fresh produce such as farmer's markets, etc. ADRC has vouchers for elderly to have food vouchers for farmer's markets, WIC also has food vouchers for farmer's markets, fresh local produce available at NL Co-op also. Some issues with WIC farmer's market vouchers not being honored due to issues with the vouchers themselves. Contact Eileen Simek, Public Health Director for assistance with these issues, and specifically with WIC.
