

The Comprehensive Community Services Program is designed for people who need more than outpatient counseling services and less than Community Support Program services or inpatient services.

Coordination Committee

An advisory committee, made up of consumers and providers from all counties in the region, offers the CCS program guidance on services, policies and consumer rights. Any CCS participant is welcome to attend.

CCS Services

CCS can pay for providers to help you accomplish your goals. Services may include:

- Diagnostic Evaluations
- Medication Management
- Physical Health Monitoring
- Peer Support
- Individual Skill Enhancement/Development
- Employment Related Skill Training
- Individual/Family Psychoeducation
- Psychotherapy
- Substance Abuse Treatment
- Wellness Management & Recovery
